

# PROPOGEL

## Sensitive Skin Treatment with propolis extract

Bottle 200 ml

Cod. 10403

### CHARACTERISTICS

Soft gel, sliding, an amber color delicately scented.

### ACTIVE PRINCIPLES

**PROPOLIS, PANTHENOL, COLLAGEN BOARDS, OAK ROOTS CELL FRESH BREWER'S YEAST**

### TREATMENT

**Protective, soothing, softening, moisturizing.**

Contrasts immediately irritation and redness.

**It has a gentle decongestant.**

It is particularly suitable for sensitive and easily irritated skin and all skin uncomfortable situations. Apply on cleansed skin of the face and body, a generous and uniform layer, leave on, massaging gently. Remove any excess with a tissue.

Indispensable complement after shaving and / or exposure to tanning rays.
