

ANTICELLULITE CREAM

Delicate degradation of the nodules of cellulite skin and progressive reduction of orange peel.

 Bottle 200 ml

Cod. 10312

CHARACTERISTICS

Emulsione consistente corpo

ACTIVE PRINCIPLES

RENOVENZYME®
BROMELINA
CENTELLA ASIATICA
CARNITINA
ESCINA

TREATMENT

Gentle enzymatic degradation of cellulite nodule and immediate reduction of orange peel appearance.

The innovative active ingredient **RENOVENZYME®** gradually dissolves defective collagen around fat cells, responsible for cellulite nodule and orange peel, by a specific collagenolytic activity. Consequently, it improves the appearance of visible cellulite by smoothing dermo-hypodermal junction irregularities, and activates lymphatic drainage.

The association of **BROMELAIN** further helps to drain and is suitable for those who suffer from swollen and heavy legs.

The **CENTELLA ASIATICA** extract acts effectively on the sagging skin and loss of firmness.

Also uses the fat burner property of the **CARNITINE** to reduce cellulite, reshaping the body, toning the skin and reducing the percentage of body fat.

The use of **ESCIN** improves hydration status, giving more shine, firmness and turgidity.

No irritations and no side effects for the skin.

INGREDIENTS

AQUA (DEIONIZED WATER), HELIANTHUS ANNUUS SEED OIL (HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL), ALOE BARBADENSIS LEAF JUICE (BIOLOGICAL ORIGIN), ACRYLAMIDE/SODIUM ACRYLOYLDIMETHYLTAURATE COPOLYMER, ACRYLATES/C10-30 ALKYL ACRYLATE CROSSPOLYMER, AESCULUS HIPPOCASTANUM SEED EXTRACT (AESCULUS HIPPOCASTANUM (HORSE CHESTNUT) SEED EXTRACT), ALPHA-ISOMETHYL IONONE (ALPHA-ISOMETHYLIONONE), ASCORBYL PALMITATE, BENZOIC ACID, BENZYL ALCOHOL, BETA-SITOSTEROL (*FITOSTEROL), BHA, BROMELAIN, BUTYLPHENYL METHYLPROPIONAL, CAPRYLYL GLYCOL, CARBOMER, CARNITINE, CENTELLA ASIATICA LEAF EXTRACT, CITRIC ACID, CITRONELLOL, CURCUMA ZEDOARIA ROOT OIL, DEHYDROACETIC ACID, D-LIMONENE (LIMONENE), ESCIN, EUGENIA CARYOPHYLLUS FLOWER OIL (EUGENIA CARYOPHYLLUS (CLOVE) FLOWER OIL), GLYCINE, HYDROXYISOHEXYL 3-CYCLOHEXENE CARBOXALDEHYDE (HYDROXYISOHEXYL 3- CYCLOHEXENE CARBOXALDEHYDE), HYDROXYPROPYL GUAR, ISOHEXADECANE, LECITHIN, LEUCINE, LINALOOL, LYSINE, PARFUM/PROFUMO (FRAGRANCE), PEG-8 CAPRYLIC/CAPRIC GLYCERIDES, AQUA, POLYGLYCERYL-3 DIOLATE, BUTYLENE GLYCOL, ISOSTEARYL ISOSTEARATE, ETHOXYDIGLYCOL, TRIS (HYDROXYMETHYL) AMINOMETHANE, CALCIUM CHORIDE, R-CLOSTRIDIUM HISTLYTICUM COLLAGENASE, METHYL NICOTINATE (PEG-8 CAPRYLIC/CAPRIC GLYCER, PHOSPHATIDYLCHOLINE (SOY LECITHIN), PHOSPHOLIPIDS, POLYSORBATE 80, PROLINE, PROPYLENE GLYCOL, SODIUM HYALURONATE, SORBIC ACID, TOCOPHEROL, TRIETHANOLAMINE, TRITICUM VULGARE GERM OIL (TRITICUM VULGARE (WHEAT) GERM OIL), ZINGIBER OFFICINALIS ROOT OIL (GINGER OIL)
