

# KEEP ENERGY

## Energizing oil

Bottle 500 ml

Cod. 10307

**CHARACTERISTICS** Flavored oil for the body

**ACTIVE PRINCIPLES** **ESSENTIAL OILS OF CITRUS**  
**SWEET ALMOND OIL**

### TREATMENT

**Wise flavored mixture of almond oil and other oils, flavored with citrus fruits**, ideal for re-energizing massage.

Gives the hand of the masseur the right speed.

After bathing dries quickly, leaving the skin soft.

Applied before the bath, with a light massage, it protects the skin from the aggressive action of the soaps, favoring the removal of dirt and sebum and reducing the depletion of the protective mantle of the skin.

### INGREDIENTS
