

KEEP MASSAGE

Massage oil

Bottle 500 ml

Cod. 10309

CHARACTERISTICS Flavored oil for the body

ACTIVE PRINCIPLES SWEET ALMOND OIL

TREATMENT

Rich mixture of particularly eudermic oils that prevent dryness and skin dehydration.

It is nicely flavored with almond, non-greasy and gives it the right speed to manual massage. Recommended for home treatment.

- Before the bath, applied with a light massage, promotes the detachment of dirt and skin impurities.
- After bathing dries the skin quickly, leaving it soft and velvety.
