PANTHENOL, VITAMIN B5 + E + F +**

TREATMENT

Nourishing, toning, oxygenating, anti-radical, anti-wrinkle.

Essential IMPACT program to strengthen the support of the skin and donate immediately face a toned, fresh and vital.

Treatment with ULTRA C SERUM is a resource essential to nurture and prolong youthfulness of the face.

- The essential oligoelements, bio-elements present on the skin, encased in a calibrated mix mineral-sugary, ensure energy and tone to the skin, stimulate the reactivation cell, contribute to the proper oxygenation of the skin.
- The vitamin complex, deeply moisturizes the skin, protects the membrane cell from free radicals, prevents sagging skin, remove small wrinkles and reduces deeper ones.

Apply a few drops on the face as specified in instruction techniques.
