

BODY CREAM

Nourishing and toning

Flacone 200 ml

Cod. LUI012

CHARACTERISTICS

Body cream created specifically to nourish and deeply moisturize the skin of the male body, absorbs quickly without requiring long massage.

Based on Shea Butter and Jojoba Oil makes the skin elastic and toned, shielding it from external aggression with a lipid film.

Its composition is rich in natural antioxidants and Ribes Seed Oil attenuates skin damage caused by ultraviolet rays, free radicals and cell aging.

TREATMENT

Applied after the shower or bath leaves the skin smooth, fragrant and dry, with a feeling of immediate freshness and well-being, ensuring perfect hydration throughout the day.
