

CREMA CORPO DUBAI

Crema iperidratante

Flacone 200 ml

Cod. 10410

CARATTERISTICHE

Crema iper idratante

TRATTAMENTO

Crema iper idratante con oli e burri vegetali ad effetto elasticizzante anti-age, dalla texture setosa che regala un delicato e irresistibile aroma alla pelle a lunga durata, lasciandola liscia e morbida da accarezzare.

Modo d'uso:

Applicare mattina e sera o dopo bagno o doccia massaggiando fino a completo assorbimento.
